LEASHFATHER LEASH & COLLAR

Located in Bolu, LeashFather specializes in crafting premium leather collars and leashes using aniline, floater, and oil-treated leather.

Our products are distinguished by their two-color combinations, offering both aesthetic appeal and exceptional durability.

With a focus on international markets, LeashFather ensures that every product meets the highest quality standards. Our collars and leashes come in various sizes and colors to suit different preferences and breeds. LeashFather is committed to innovation, ensuring that our designs are both functional and stylish.

We understand the diverse needs of pet owners and strive to offer products that enhance the comfort and safety of pets.

LeashFather operates with a minimum order quantity (MOQ) of 300 units, allowing us to maintain competitive pricing while ensuring consistent quality. We take pride in our ability to cater to large orders, making us a reliable partner for businesses looking to expand their product offerings.

Our export-oriented approach means that we are well-versed in international shipping and logistics, ensuring timely delivery to our global customers.

We work closely with our clients to understand their specific needs and provide customized solutions that meet their market demands.

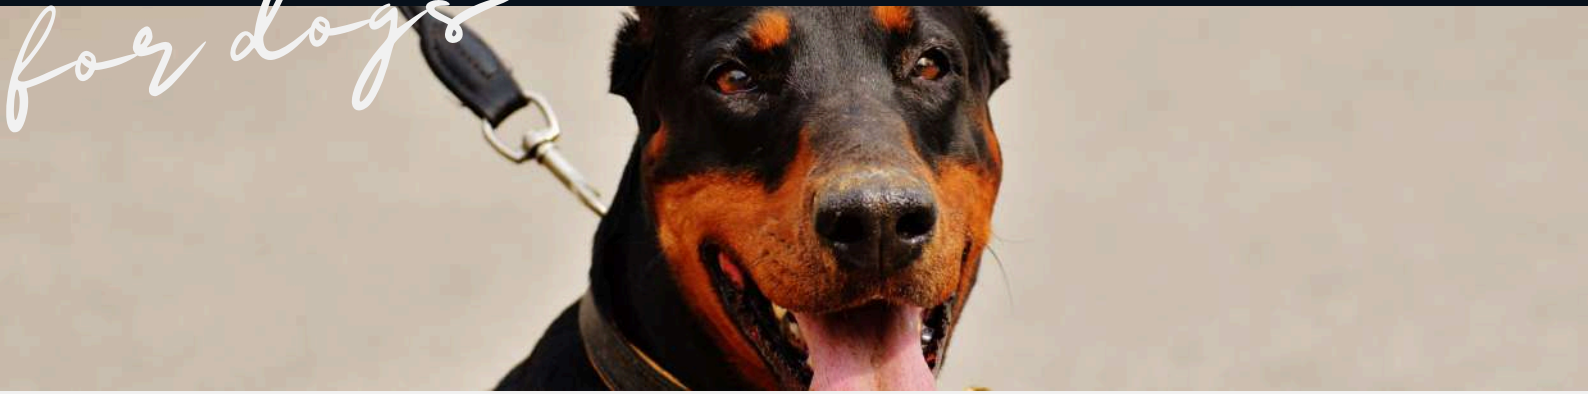

LeashFather's dedication to quality and customer satisfaction has earned us a reputation as a trusted supplier in the leather goods industry. Whether you're looking for durable leashes or stylish collars, LeashFather has the expertise and capacity to meet your needs.
